WHAT WILL YOU REMEMBER?

One day you will again step into the dear old halls of Crab Orchard High after you have graduated. What will you remember? Will you remember that time you disregarded the wastebaskets, and soda racks? Will you remember when you were that person who started all the trouble by being a loud-mouth?

Probably you will remember a pleasant things that happened. You will remember the class to eager to sit down because could hold the students'.

These precious for Orchard should be sp. can have those memories. memories, you should gain knowledge that you and yo. tried so hard to learn or tea.

Ask yourself, "Am I being chea. this class? Am I getting everyt. out of it I should?" If the answer "no" to the latter question, change the answer and soon! Get your money's worth.

Participate in the school. Volunteer for that committee or job that does not sound pleasant, for you can never tell what it may bring.

Leave C.O.H.S. with worthy memories and a bushel of knowledge. You will be glad you did.

BEATLES INVADE Y.F.C.

We have had another month of good meetings. At our first meeting Scott McGree ran a tape on the Beatles. This tape told us some things about the Beatles that we very seldom read. We want to thank Scott for providing the tape. Our second meeting Rev. Slone, pastor Crab Orchard Methodist Church, gave an inspiring talk on, "Have You Ever seen God?" Our second speaker was Rev. James Kerley, pastor Church. Bro. Kerley gave an inspiring talk on "Our Personality." Bro. Kerley also gave the meeting a piece of questions which would be for further talks. Bro. Kerley was accompanied to the meeting by his son, Johnny.

Day this month, there were cakes brought. We want to thank Ryan, Sharon Sullivan, and Son- for those three cakes.

We have had an average attendance of 40 at our meetings. Let's keep the good and raise the attendance to at everyone come and try to d.

Read about our Y.F.C. party in another article in this month's paper.
